

# Anthony Mills, M.D.

Vice-President

Greater Midland Emergency Physicians  
Midland, MI

Dr. Tony Mills is the Vice-President and co-founder of Greater Midland Emergency Physicians (GMEP), a private physician group that employs and contracts board certified Emergency Medicine physicians and specialty trained advanced practice providers for the purpose of staffing emergency departments.

GMEP was founded and began operations in December 2016. Since its inception, GMEP has grown from a single emergency department contract to four emergency departments. These include MyMichigan Medical Centers in Alma, Mt. Pleasant, West Branch, and Alpena, Michigan.

Dr. Mills is currently the Medical Director for the Emergency Department at MyMichigan Medical Center-Alma. He is also a practicing Emergency Medicine physician, working alongside the GMEP team at all 4 emergency departments that GMEP serves.

He is a veteran having served as a Calibration Specialist in the United States Army. He worked as an electronics technician for the Federal Aviation Administration and Air Route Traffic Control Center in Indianapolis, IN. He also was an engineer for Lockheed Martin, Missiles and Fire Control Division in Orlando, FL,

He has an undergraduate degree in Electrical Engineering Technology from Indiana University in Indianapolis, IN and earned his Doctor of Medicine (M.D.) degree from Florida State University College of Medicine in Tallahassee, FL. Dr. Mills completed his Emergency Medicine residency through Synergy Medical Education Alliance and Michigan State University in Saginaw, MI. He is board certified in Emergency Medicine.
